

**OMHSAS Advisory Committee
January 7, 2010
Adult Committee
Meeting Outcomes**

Agenda Item	Major Discussion Points/Decisions	Follow-up Needed Person(s) Responsible
Welcome and Introductions	Tim Connors, co-Chair, opened the meeting and facilitated introductions around the room.	
Approve/Disapprove outcomes	Outcomes from the meeting held on November 5, 2009 were approved, motion by Dan Sylvester and 2 nd by Harry Barr.	
Old/New Business	<ul style="list-style-type: none"> • Motions on the formulary were given to Joan <u>NEW</u> • CSP handout on seed grants; should have complete list by March. OMHSAS will post on the website when complete 	
New Agenda Items	<ul style="list-style-type: none"> • Psych Rehab for Adults in HealthChoices 	
Youth Update – Dan Delucey	Notes included in packets for review and posted on PaRecovery.org	
Integration of Community Support and Individual Treatment Plan – State Hospitals – Edna McCutcheon	<p>A collaborative has been developed with the folks at the hospitals and the Unified Practices Committee has assisted in eliminating duplication in this process of people returning to the community. People with the CSP process have almost no readmission compared to those that did not have this process. A handout of the form developed for each individual was included in each packet and everyone was asked to review and send their comments to Edna McCutcheon at emccutcheo@state.pa.us by February 1, 2010.</p>	

**OMHSAS Advisory Committee
January 7, 2010
Adult Committee
Meeting Outcomes**

Behavioral health Clinical Committee – Dr. Mary Diamond	Committee is comprised of half consumers and half providers, approximately 14-15 members. Coordination of Care around medications can be difficult in Physical and Behavioral Health; therefore, this committee was formed to get input into clinical and pharmacy issues. Handouts provided.	
Pharmacy Motions discussion – Ivonne Bucher	Each motion discussed as to the status: <ul style="list-style-type: none"> • #1 Efforts will be made to process this motion • #2 not accepted as a potential addition to the formulary • #3 This motion will possibility be addressed again. Do not want to lose ability to use Fail First • #4 Will engage OMAP in discussion • #5 Still under consideration Handout provided for full detail.	
Standards for Family Inclusion – Dave Dinnich	Considerable feedback was provided on the handout. Next steps will be discussed with the executive committee but will include: 1) The development of a statement to include in the OMHSAS guiding principles and 2) A process for implementation. Future agenda item.	
New Agenda Items for D & A and Co-occurring	<ul style="list-style-type: none"> • Have D & A at Community Support Meetings • Have future reports from the Persons in Recovery subcommittee • Increase D & A on Advisory • Update on Co-occurring initiative • Update on Legislation on D & A 	
Administration Transition	<ul style="list-style-type: none"> • Psychiatric Leadership Council has a workgroup on this subject. They are working on principles/guidelines and potential names for secretary/deputy. This group will be contacting all stakeholders. • Karen Snider reported that she is working on a transition document for OMHSAS and will be meeting with the chairs of the committees. Ksnider.scfg@comcast.org
